## This man is a "security risk"!

Age, 29. Married. Two children. High school education. Active in local lodge, church, veterans' organization. Employed by large manufacturing concern. Earns \$95 a week.

SOUNDS like an Average Joe. And he is. Too average! He's got a job. It pays fairly well. He's satisfied.

But here's the catch. With the right kind of training, this young

man could step into a better job. He could be making \$8-10,000 a year. He could be cashing in on those spare-time hours he now wastes.

As it stands now, he's stuck in his job. Can't seem to make any headway. He's reluctant to try. So he just hangs on.

This man is a "Security Risk" to his wife and children.

His family probably will never enjoy the comforts, the prestige, the good living that could be theirs. If hard times come, they are almost sure to be hurt. For an Average Joe can't expect to compete with trained men when the chips are down.

A man like this would do well to start a planned program of self-improvement. In his spare time. In a field related to his interests and abilities. Right NOW!

One good way to start—a way proved by hundreds of thousands of once-Average Joes who are making good today—is to enroll for special training with a recognized correspondence school. One like I. C. S., the oldest and largest in the world.

Don't you be a "Security Risk." Mail the coupon for full, free details while there is still time.

Clip coupon here—and take your first big step to real success! I. C. S., Scranton, Penna. 18515

You can sit down and solve this puzzle right now. Everything you need is printed here. There is nothing to look up. No dictionary is needed. Get in this fascinating game by solving this puzzle now. It sharpens your wits and keeps your mind alert. And it costs so little (just the \$3.00 entry fee). You get more than that value in fun and recreation. AND you may win a nice cash prize—up to \$4,000.00.

Every contestant will be notified of his standing within 30 days after we receive his entry. You will not have to wait and wonder for a long time as to how you stand.

**PLATE 55**

1. Solve this puzzle as you would any other crossword puzzle except that the letters you supply are determined, not by definitions, but by letter values.
2. Fill in every empty square with a letter. When completed, every series of 2 or more letters must spell a word, both across from left to right, and down. Every word appearing in the solution must be taken from the accompanying "OFFICIAL WORD LIST" and must be spelled exactly as it is there. A word may be used more than once (no limit).
3. Black squares have no value. Using the letter values shown here, add the value of all letters each line across and the LINE TOTALS ALREADY IN THE PUZZLE AND THOSE YOU SUPPLY, and place the LINE TOTALS at the right of the puzzle as indicated. Then add up these LINE TOTALS and put your Total Score in the space indicated. Add your score carefully as any error in computing your score will disqualify your entry. An entry once submitted cannot be changed. However, a contestant may send in more than one entry. See Rule 6.
4. The object is to obtain the highest total score, obeying all the Rules. (See Rule 7 for ties.) This is a contest of skill. There are no "tricks" planned or allowed.
5. Anyone at least 18 years of age, from the U.S. or Canada (including military personnel abroad), may enter this contest except members and employees of the sponsors, their advertising agents and their immediate families. Each entry must be accompanied by a \$3.00 entry fee. This fee is to cover costs and administrative expenses.
6. A contestant may send in more than one entry, but each entry must be accompanied by the \$3.00 entry fee. So if you see a chance to improve on an entry you have already sent in, you may send another, providing you mail it not later than April 9, 1966. While various members of a family may each enter the contest not more than one prize may be won by one household.
7. Ties are expected, in which case a tiebreaker will be required. It will be sent only to those who may be tied for any of the prizes. The tiebreaker will be similar to this puzzle, but the squares will be the same size, 11 squares each way, but with fewer letters supplied, and more empty squares. The Official Word List, with more words, will also be supplied. Seven days will be allowed for solving tiebreakers. Highest score wins highest prize for which there are ties, and so on. Each tiebreaker has its own rules and may have slight changes.
8. If any ties still remain, additional tiebreakers up to 4 more may be sent to determine the winners. If any ties still remain after the 5 tiebreakers, then the full amount of the prize or prizes tied for will be awarded to each tied contestant. However, in all our previous contests, 2 tiebreakers or less were required to determine all winners. There is never any additional fee for tiebreakers.
9. Contestants shall not receive from, nor furnish to, anyone outside their own household, all or part of any solution in this contest.
9. Cut out the entry blank along the dotted lines, enclose your \$3.00 fee and mail to Town and Country Ass'n, P. O. Box 1562, Tacoma, Wash. 98401. Entries must be postmarked not later than April 9, 1966, and received by April 20, 1966.
10. Promptness Prize—\$500.00 cash. If you send your entry and \$3.00 fee on or before the date shown on the Official Entry Blank, you will qualify for the \$500.00 Promptness Prize. This Promptness Prize will be added to the first prize only.
11. When we receive your entry and \$3.00 entry fee we will send you:
  - a. Acknowledgment of your entry (LET US KNOW IF NOT RECEIVED IN 30 DAYS.)
  - b. Notification of your standing at this point in the contest.
  - c. Our latest bulletin of news about our contests.
  - d. First prize will be paid about July 20, 1966. At that time we will send you the list of prize winners and a copy of the highest scoring solutions.
12. By entering this contest, you agree to accept the judges' decisions as final. The sponsors reserve the right to offer increased prizes, extra work charts and positional word lists. We cannot be responsible for lost or delayed mail. The sponsors reserve the right to decide any and all questions that may arise concerning this contest. All entries become the property of the sponsors. This contest is subject to all Federal, State and local regulations.

**IN SPARE TIME**  
*as a way to increased earnings*

**W**HATEVER your present position — whatever your goals for the future, you can multiply your opportunities for rapid promotion, big income and prestige through LaSalle law training at home.

A knowledge of law is regarded today as indispensable equipment in every activity of business. The greatly increased role of government in business, the many new problems of law involving taxes, insurance, contracts, liability, employment, and much more — all require the legally-trained executive who can make day-to-day decisions effectively. That is why leading corporations seek out such men for key positions and reward them with top salaries.

You can master law easily and enjoyably at home — at remarkably low cost — under the supervision of LaSalle's distinguished law faculty.
